47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and I use Sonic. My internet is already expensive for what I do as I work from home and more competition the better. I've used AT&T Comcast etc but Sonic is by far the best and most reliable. The big telecoms don't need any more handouts. My name is Danny and I support local companies.
